GOALS FOR INSTRUCTIONAL PROGRAM

The district instructional program will enable each student to:

1. read with comprehension;
2. think critically and reason competently;
3. communicate effectively through writing and speaking;
4. effectively listen and observe;
5. function creatively through cultural, literacy and artistic activities;
6. develop specialized skills for vocational success;
7. use mathematical skill; and
8. act with poise, self-confidence, and good physical coordination.

Furthermore, the instructional program will assist each person to:

1. appreciate and respect authority and the law within a democratic process;
2. assume a fuller sense of responsibility for him or herself and others;
3. achieve satisfaction in working to accomplish worthy goals;
4. exhibit fair play and good sportsmanship; and
5. participate in family life and worthwhile leisure activities.

The district believes that learning is a lifelong process, and toward this end actively encourages people of all ages to participate in the district's instructional programs.
