Parent Permission Form Rules and Code of Ethics for Computer User

I agree to release the Catskill Central School District, the Board of Education and its employees from any or all claims of any nature arising from my child's misuse of the computer network in any manner whatsoever.

I realize that the guidelines (Computer Use Regulation 4526-R, attached) are designed to protect my child as well as the equipment belonging to the school district.

I realize that failure to comply with the enclosed Rules and Code of Ethics for Computer User guidelines will result in one or more of the following range of consequences:

1. Warning,
2. Suspension from computer or Internet use for one to five days, and possibly the remainder of the school year;
3. A zero in the work;
4. Parent notification; and/or
5. Referral to the Building Principal, if the problem persists.

I/We have read and discussed the guidelines with our child, and agree to the above.
