Fiscal Management

EXPENSE REIMBURSEMENT

School district employees, officials and members of the Board of Education will be reimbursed for reasonable, actual and necessary out-of-pocket expenses which are legally authorized and incurred while traveling for school related activities.

Only expenses necessary to the purpose of the travel shall be reimbursable. Transportation costs such as taxi cabs are allowable only for essential transportation. Mileage will be paid at the rate approved by the Board of Education at the annual re-organizational meeting, i.e. the federal Internal Revenue Service for business travel. Tax exemption certificates shall be issued and utilized as appropriate.

The Board, by majority vote, shall determine and approve which meetings and conferences may be attended by Board members and the Superintendent of Schools.

The Superintendent shall determine, in the first instance, whether attendance by district staff at any conference or professional meeting is in the best interest of the district and eligible for reimbursement of expenses under this policy.

To obtain reimbursement, the claimant must complete and sign an expense voucher, attach all receipts or other expense documentation, together with a copy of the approved conference attendance request form and evaluation report (if required), and submit the same to the appropriate administrator, and after such claim has been audited and allowed.

Regulations concerning expense reimbursement shall be attached to this policy and shall be reviewed annually and revised as appropriate.
