## **ASSIGNMENTS AND TRANSFERS**

Instructional and support personnel will be assigned on the basis of their qualifications and district needs.

The Superintendent of Schools will advise the Board of Education of recommended and impending transfers. All assignments involving extra compensation will be recommended for Board approval.

Within an individual school, the assignment of building personnel will be made by the Building Principal in consultation with the Superintendent, with the understanding that the Superintendent retains final authority for placement when necessary.

Adoption date: July 2003
