

# CATSKILL MIDDLE SCHOOL

345 West Main Street – Catskill, New York 12414

518-943-5665

Kerry Overbaugh, Principal

Junait Shah, Assistant Principal

Good Afternoon Catskill Middle School Families,

Recently, we have noticed that there have been lengthy rides home with 3 PM Late Bus runs for students that stay after school to partake in extracurricular, academic activities, and extra help. This year, we have seen an increase in the number of students that are staying after school to receive extra help, which in turn, makes the 3 pm late bus run longer than usual.

In an effort to help tackle this and to help keep our students motivated, Mr. Muirhead and his team have developed a 3 PM Late Bus Shuttle. The shuttle service will begin Monday, December 10, 2018. Students will be required to sign up by 12:30 at the middle school front desk to ensure that they will be staying after hours with adult supervision. At 3 PM, a shuttle will take the students from the front of the Catskill Middle School to the Catskill Elementary where they will then get on their respective bus. The shuttle will pull in the back of the bus circle at CES where students will depart and be directed to their bus. There will be ample staff available to help ensure students transition smoothly. We will also be reminding students that this is a privilege, and that appropriate behavior is expected. Poor behavior on the late bus shuttle or elementary run may result in an expulsion from after school transportation.

As always, if you have any issues with transportation, feel free to reach out to the transportation office at (518) 943-2300, Extension 1413. A member of the Transportation Department will be available until the last student has been dropped off. You can also reach the Middle School from 3pm to 4pm with any late bus questions at extension 1322.

Ms. Kerry Overbaugh

Mr. Junait Shah
