WHAT WE'VE BEEN UP TO!

"The show must go on!"

Athletics

Currently in Fall 2 (Football, Girls Volleyball). Winter just completed with excellent results. Janay Brantley shattering records!

New Courses

Graphic Design II and the addition of ICT Earth Science for next year

PBIS

Teacher led committee has been sending home Cats Shout Outs and incentives to students

CTE

Adding Entrepreneurship and Engineering along with our current programs which are Hospitality and Tourism, Marketing, and Nutrition, Health, and Wellness

Guests Speakers

9/11 Experts, NASA employees, News anchors, and former students join Google Meets and offer real life experience and help to our students

Clubs and Activities

Clubs and activities are meeting virtually and students are able to connect with their peers and teachers.

WHAT WE NEED FOR NEXT YEAR

2 FULL TIME TEACHING ASSISTANTS

1 - ACADEMIC SEMINAR COVERAGE

1 - FULL DAY SUBSTITUTE COVERAGE / ISS

*1 - FITNESS CENTER COORDINATOR

6 SECTIONS FOR TEACHERS

Have the ability to offer six sections to teachers to maintain consistency with staffing and to reduce the spread of COVID.

DISTRICT WIDE SEL SUPPORT

Currently looking into K-12 programming with the support of the SPED Department. We're also looking into the support of Twin Counties

VIRTUAL STUDENT PROGRAMMING

Virtual student programming through programs such as APEX for students that are solely virtual for the year to come
