**DOH MASK MANDATE IN SCHOOLS REMAINS IN EFFECT
DUE TO APPEAL FILED BY STATE**

According to the New York State Attorney General's Office, the State has just filed an appeal of the recent decision from Nassau County, *in Demetriou et al. v. New York State Dep't of Health et al.* The filing of the appeal automatically stays the judge's decision which means the mask mandate is still in effect. We will notify you of any changes in the case.
