Kindergarten Screening!

During the week of May 9th through May 13th , we'll be holding our annual screening event for upcoming Kindergarten students.

- A CES teacher will work with your child to complete a developmental and academic assessment.
 - The assessment tools we use at CES, the Brigance Early Childhood Screener, are designed to measure basic, fundamental concepts acquired by most young children.
 - The information we gain from your child's screening will inform their placement and instruction as they enter Kindergarten in September.
- 
- 

Welcome to Kindergarten for Parents & Children

Attendance Matters!

Every day counts in a child's academic life.

If your child misses just two days a month, they'll miss almost a month of school.

A good attendance routine creates a positive model for your child.

Literacy Pledge

Reading at home makes a huge difference for your child.

Read together! Stories and poems that practice counting, colors, shapes, and letter recognition will help your child be ready for Kindergarten.

“I will read to my child for 20 minutes a night, five nights a week.”

- ✓ That’s 400 minutes a month...
- ✓ ...and 60 hours each school year!

Final Thoughts

- Teach your child their full name, your name, your address, and your phone number.
- Help them practice writing their name.

CATS CAN
& WILL!

- Practice opportunities to play, share, and make friends with other kids.
- Encourage your child to look forward to school as a warm, friendly place.
