

Thursday, May 26, 2022

Dear CES Family,

I'm excited to invite your child to attend the Catskill Elementary School **Cats Summer Program** for Grades K-5. The Summer Program helps build the vital reading, writing and math skills that will help your student succeed next year. Summer Cats learn in small groups, with engaging activities and direct, individualized support from their teachers. **Free breakfast and lunch** will be served each day of the program.

The Cats Summer Program will run from July 5th through July 28th and will take place at CES. Classes will be held Monday through Thursday from 8:00 am to 12:45 pm. Space is limited to keep classes small. Groups will be filled in the order that registrations are received.

Bus transportation for the Cats Summer Program will be provided from centralized community stops. If you plan for your child to ride the bus, please examine the list of stops on the registration form and choose the options most convenient for you. If you will coordinate your own transportation, please indicate this as well. On the reverse, you may mark the choices you selected for your records.

To reserve a place for your child in the Cats Summer Program, return the enclosed registration form or register online at bit.ly/cessummer2022 (or by scanning the QR code below) by **Wednesday, June 15, 2022**. Feel free to reach out to my office at 518-943-0574 with any questions you may have.

We look forward to welcoming your child as a Summer Cat.

Very truly yours,

Stacey Connor

Stacey Connor, Assistant Principal
Catskill Elementary School
