Students

ADMISSION OF NON-RESIDENT STUDENTS

The Catskill Central School does not admit non-resident students presented by out of district families.

Future Residents

The children of families who have signed a contract and can produce the contract to buy or build a residence in the school district may be enrolled during the semester in which they expect to become residents, without payment of tuition.

Former Residents

Regularly enrolled children of previous resident families who have moved out of the school district during the school year may complete that current semester in the district without payment of tuition. Such children enrolled in grade 12 may complete their senior year without payment.

Inter-municipal agreements made between Superintendents for student placement and Special Education placements are not affected by this policy.
