GRADUATION AWARDS

Past Board of Education and current Board of Education members are encouraged to participate in the graduation ceremony by making the presentation of the diploma to their respective family members. Prior arrangements for this activity will be made with the Superintendent of Schools at least one month in advance of the graduation ceremony.

This policy is made in recognition of the many hours of volunteer service a board member gives to the school district.

Adoption Date: July 2003

Update: April 1, 2025
